

AGENDA FRAMEWORK

Reimagine the Future. Transform Today.

3DEXPERIENCE® CONFERENCE

OCTOBER 16 – 17, 2024 | MUNICH | GERMANY

OCTOBER 16, 2024 | DAY 1 | OVERVIEW

OPENING and KEYNOTE PLENARY | Reimagine the Future. Transform Today. | 09:30 – 12:00

Welcome & opening followed by keynote speeches.

Lunch | 12:00 – 14:00

BUSINESS DRIVER BREAKOUT SESSIONS | 14:00 – 14:45

Efficient Engineering with Modeling and Simulation Introduction by Olivier SAPPIN	AI-powered Virtual Twin Experiences Introduction by Morgan ZIMMERMANN	Sustainable Manufacturing and Supply Chain Introduction by Guillaume VENDROUX	Connected Product Experience: Marketing and Sales After Sales Introduction by Tom ACLAND	Information Intelligence for Life Sciences Introduction by Claire BIOT
---	---	---	--	--

Break | 14:45 – 15:00

INDUSTRY BREAKOUT SESSIONS | 15:00 – 16:30 [incl. 10 min break]

Transportation & Mobility Introduction by Laurence MONTANARI	Industrial Equipment Introduction by Philippe BARTISSOL	Aerospace & Defense Introduction by David ZIEGLER	Home & Lifestyle Introduction by Benoit DAUCHIN	High-Tech Introduction by Stéphane SIREAU	Life Sciences Introduction by Claire BIOT
Transportation & Mobility	Industrial Equipment	Aerospace & Defense	Home & Lifestyle	High-Tech	Life Sciences

Coffee Break | 16:30 – 17:00

CLOSING PLENARY | Reimagine the Future. Transform Today. | 17:00 – 18:00

Welcome back & wrap up of day 1 followed by a panel discussion hosted by the Handelsblatt.

*the agenda is subject to change

OCTOBER 17, 2024 | DAY 2 | OVERVIEW

3DEXPERIENCE USER JOURNEYS | 09:00 – 11:45

Efficient Engineering with Modeling and Simulation	AI-powered Virtual Twin Experiences	Sustainable Manufacturing and Supply Chain	Connected Product Experience: Marketing and Sales After Sales	SOLIDWORKS [language: German]	SIMULIA	Partner Track Duration: 70 min
Efficient Engineering with Modeling and Simulation	AI-powered Virtual Twin Experiences	Sustainable Manufacturing and Supply Chain	Connected Product Experience: Marketing and Sales After Sales	SOLIDWORKS [language: German]	SIMULIA	

Break | 10:10 – 10:30

Efficient Engineering with Modeling & Simulation	AI-powered Virtual Twin Experiences	Sustainable Manufacturing and Supply Chain	Connected Product Experience: Marketing and Sales After Sales	SOLIDWORKS [language: German]	SIMULIA	"Workforce of the Future" Duration: 75 min
Efficient Engineering with Modeling & Simulation	AI-powered Virtual Twin Experiences	Sustainable Manufacturing and Supply Chain	Connected Product Experience: Marketing and Sales After Sales	SOLIDWORKS [language: German]	SIMULIA	

Lunch | 11:45 – 13:30

KEYNOTE PLENARY and CLOSING | 13:30 – 15:30

Welcome back followed by keynote speeches incl. external speaker appearance.

*the agenda is subject to change

REIMAGINE THE FUTURE. TRANSFORM TODAY.

See you there!
