

## SIMULIA EuroMed Conference (Regional User Meeting) – Agenda

La Sapienza University, Campus San Pietro in Vincoli, Roma, Italy

Day 2 - Wednesday, July 02, 2025

Start Time (CEST)

9:00 Registration & Breakfast   30-min					
R&D Updates and Seminars - Breakout Sessions					
Structures – Track 1 – Aula 1		Electromagnetics – Track 2 – Sala del Chiostro		Fluids – Track 3 – Aula 7	
09:30 R&D Update — Structures - Ross MCLENDON 09:30 Dassault Systèmes		09:30 To be announced - To be announced 09:30 To be announced		09:30 R&D Update — Fluids, incl. GPU & Cloud Computing - Benjamin DUDA 09:30 Dassault Systèmes	
10:30 Break   30-min   Coffee & Snacks					
11:00 To be announced - To be announced 11:45 To be announced		11:00 To be announced - To be announced 11:30 To be announced		11:00 Aeroacoustic Simulation with PowerFLOW: Driving Innovation in Noise Prediction and Reduction - Carlo PERUGINI 11:30 Dassault Systèmes	
11:45 To be announced - To be announced 12:15 To be announced		11:30 Design of System-in-Packages Mixed Signal Transitions for Space Applications - Andres DABAS 12:00 Thales Alenia Space Italy		11:30 Fluid-Structure Interaction application on Wind Assisted Ship Propulsion (WASP) - Margarita RIERA 12:00 Dassault Systèmes	
12:15 To be announced - To be announced 12:15 To be announced		12:00 To be announced - To be announced 12:30 To be announced		12:00 To be announced - To be announced 12:30 To be announced	
12:15 To be announced - To be announced 13:00 To be announced		12:30 To be announced - To be announced 13:00 To be announced		12:30 A Virtual Test Lab for Designers of Medical Devices - Benedikt KÖNIG 13:00 Dassault Systèmes	
13:00 Lunch Break   60-min					
Seminars and Workshops - Breakout Sessions					
14:00 To be announced - To be announced 14:45 To be announced		14:00 To be announced - To be announced 14:30 To be announced 14:30 Customer Presentation To be announced - To be announced 15:00 To be announced		14:00 Workshop: End to End Automotive Workflow on 3DEXPERIENCE Cloud — a Live Demo - Davide GHISOLFI 15:00 Dassault Systèmes	
14:45 To be announced - To be announced 15:30 To be announced		15:00 Synthesis and Analysis of RF Components with WASP-NET - Raffaele SCUDERI 15:30 Dassault Systèmes		15:00 Workshop: Seamless Aircraft Design Automation with PowerFLOW - Mert YUCETEPE 16:00 Dassault Systèmes	
15:30 To be announced - To be announced 16:00 To be announced		15:30 Hybrid Solver Simulation Tip & Tricks - Davide TALLINI 16:00 Dassault Systèmes			
16:00 End of Day 2					

16:00 End of Day 2

Status: June 11, 2025 - Agenda subject to change
